Do you want to work with a team that loves God and loves others and uses aircraft and technology to show it?

Electronics Supervisor - CRMF Goroka PNG

MAF I AP CRMF (Christian Radio Missionary Fellowship) is a christian mission organisation that serves in PNG specializing in education, digital resources, technology & HF radio networks. Our vision is to see isolated people physically and spiritually transformed by sharing God's love through this technology.

This role requires someone with a successful background in electronics, faultfinding and component repair capability. To apply for this role you will need tertiary or trade qualifications.

An important part of this role is training PNG nationals and other staff, therefore it is desirable that you have cross cultural experience and training experience but not essential.

To apply for this position email your CV & cover letter to :

crmf-australia@maf.org.au

Please note: This position is subject to requirements of CRMF membership which will require you to raise prayer and financial support.
