*Asia Pacific Region*

**Do you want to work with a team that loves God and loves others and uses aircraft and technology to show it?**

## IT Supervisor - CRMF Goroka PNG

MAF I AP CRMF (Christian Radio Missionary Fellowship) is a christian mission organisation that serves in PNG specializing in education, digital resources, technology & HF radio networks. Our vision is to see isolated people physically and spiritually transformed by sharing God's love through this technology.

This role requires someone with experience & knowledge in computer hardware, software and networking administration. You will need experience in wireless networks, file conversions, interfacing to mobile technology and be able to assist in initiating internet based learning. Experience with Linux and running email servers is desirable.

An important part of this role is training PNG nationals and other staff, therefore it is desirable that you have cross cultural experience and training experience but not essential.

*To apply for this position email your CV & cover letter to :*
